## HAMILTON LAGS.

Insurance "Counsel" Said to Be Now in Paris.

New York, Nov. 4.—The wife and two daughters of "Judge" Andrew Hamilton, the latter of whom the legislative committee on life insurance is desirous of examining in reference to the Mutual New York Life and Equitable money sent by him to prevent "harmful" legislation, arrived yesterday from Europe on the White Star liner Cedria. The "judge" did not come.

Mrs. Hamilton was asked when her husband was expected to return. She said: "I do not know."

"Where is Mr. Hamilton now?" "I left him in London, but he is now in Paris."

"Will he return in a year, or in two years?" "Really, I do not know," answered Mrs. Hamilton, pleasantly. "I do not know his plans."

"Is he ill?" "He has been ill with neuritis, but has recovered."

"Is there any truth in the report that Mr. Hamilton intends to return to this country by the way of Canada?" "Not the slightest. For the present he will remain in Paris."

Two men with suspicious looking papers peeping from their pockets were at the pier. It was said that they represented Associate Counsel Fleming of the legislative committee, who is known to have a subpoena out for Mr. Hamilton.

## CUPID AT THE COFFIN.

Divorced Couple is Reunited Through Children's Death.

Newport, R. I., Nov. 4.—Romance and pathos are mingled in the marriage in New Bedford Thursday of Patrick J. Boyle and Lillian Ritchie of this city. It was their second wedding, they having been married five years ago, when a woman came between them, and they took their troubles into the divorce court. The wife obtained a decree last April. Three months later husband and wife came face to face again over the death of two of their three children. There the old love was rekindled and both forgave and forgot.

Mr. Boyle's sister said yesterday that she knew they were "keeping company" again, but her brother said nothing about marrying when he left home Thursday. So she had no idea of what had taken place a reporter informed her yesterday noon. She was glad, she said, as nothing but a "cock of lie" had parted them. Boyle is a prominent gardener. His two-time bride is a sister of Alderman Ritchie, a Republican leader.

Dan Allen of Burlington enjoyed just three hours of liberty Thursday. He has been in jail ten days, that being an alternate sentence in a case of intoxication. His time was up Thursday and at his request he was released the first thing after the arrival of Turkey Quinn. Allen was free at six o'clock and his thirst had to be slaked immediately. He did the job with such good effect that at nine he was again arrested for being drunk.

## DECIDE YOURSELF.

The Opportunity Is Here, Backed By Barre Testimony.

Don't take our word for it. Don't depend on a stranger's statement. Read Barre endorsement. Read the statements of Barre citizens. And decide for yourself. Here is one case of it:

Alvin F. Smith, retired, address 19 West Street, says: "I was interviewed by a gentleman in the winter of 1897 about my experience with and opinion of Doan's Kidney Pills, a preparation for which I had gone to E. A. Drown's drug store and of which I took a course of the treatment. I believe I was born with a weak back and as I grew older, at least every year, I was subject to an attack of backache which compelled me to take to my bed. Doan's Kidney Pills stopped that annual occurrence and they have been the means of stopping other attacks since. When I look back over the 12 years of my life and think what I might have escaped had I known about the value of Doan's Kidney Pills. It makes me wonder that people, when they know of a remedy which acts up to representation, will not avail themselves of a positive means of preventing kidney complaint or any of its consequences. Often I could neither lift any weight nor stoop without suffering and added to this, there was a difficulty with the kidney secretions. Doan's Kidney Pills absolutely stopped a very severe attack. I have recommended them to many friends and acquaintances since the remedy came to my notice, and I know of a great many who have taken a course of the treatment and received undoubted benefit."

For sale by all dealers. Price 50 cents. For a full particulars, write to J. C. Drown, 100 N. Main St., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.
